

Telephone Script for College Goal FAFSA

This is **[Name of Principal or Superintendent]**, **[title]** of **[Name of School or District]**. This message is for families of our graduating seniors.

Most families depend on scholarships and financial aid to meet the costs of an education after high school. Eligibility for most funding opportunities depends on completion of the FAFSA – an acronym for the Free Application for Federal Student Aid. Completing the FAFSA is the first critical step toward receiving not only federal student aid, but also state aid and many other scholarships and grants.

We will be holding College Goal FAFSA workshops at our high school. School staff and trained volunteers will be available to assist seniors and their families as they complete a FAFSA. This FAFSA completion workshop will help your senior to gain money for their college dreams.

Our events will be held: **[dates/times/location of workshops]**

If you are unable to finish your FAFSA at our high school workshop, you can still get **FREE** help at a College Goal FAFSA community event. During these statewide FAFSA completion workshops, over 200 higher education professionals and community members volunteer their time and provide assistance to seniors and their families completing the online FAFSA form. It's a great opportunity to get help with your financial aid related questions.
