

Dear Site Coordinator,

The Arizona Commission for Postsecondary Education (ACPE) is offering four \$1,000 state-wide, scholarship opportunities (one for the northern region, one for the southern region, and two for the central region) for the 2018-2019 College and Career Goal Arizona program year. This opportunity will be offered to students who complete the Student Exit Report (survey) after completing a College Application or Free Application for Federal Student Aid (FAFSA). Upon completing an application, you will provide each participating student with one of the raffle tickets included in the box of materials sent to your school. The student will enter the number on the ticket on the last question of the survey. Once the survey is submitted, the staff will collect the raffle tickets and turn them in to you for a drawing of one student selected at your school. You could use these raffle tickets for selection of other giveaways, should you have any. Lastly, you will email Judi Sloan at [JSLOAN@AZHIGHERED.GOV](mailto:JSLOAN@AZHIGHERED.GOV) with the name of the student who was selected in your raffle and the students raffle ticket number; please have the finalist's name and raffle ticket number submitted by March 4<sup>th</sup>, 2019.

Your student will be entered into the final regional drawing which will be conducted by the ACPE. The ACPE will use the final drawing to award one student from the northern region, one from the southern region, and two students from the central region. Scholarship money will be sent to the postsecondary institution the student will attend in the fall of 2019; further instructions will be sent to the winning students. Please contact the ACPE if you have any questions. We wish you a fantastic 2018-2019 academic year and look forward to working with you and your community.

Sincerely,

The ACPE Staff
