

Federal Student Aid Resources for the 2017–18 FAFSA®

The following tables provide a list of Federal Student Aid (FSA) resources that can be used to support outreach for the 2017–18 FAFSA.

- The first table provides resources that are currently available.
- The second table provides resources that are being updated for the 2017–18 FAFSA and includes target dates for when the resources will be available.

Some of the resources (in bold) specifically discuss the changes for 2017–18 and others are more general and discuss the FAFSA or the financial aid application process. The list does not include resources that are specific to the 2016–17 FAFSA. In addition to this document, you can visit FinancialAidToolkit.ed.gov/resources and select the topic “FAFSA” to see all FAFSA-related resources or “2017–18 FAFSA” to see resources that discuss the changes for 2017–18.

Please remember that students and parents should be sent to StudentAid.gov for information about federal student aid and StudentAid.gov/fafsa for information about the FAFSA.

The PDF FAFSA will still be available for download across multiple Federal Student Aid websites (e.g., fafsa.gov). Students will be able to obtain print-outs of the PDF FAFSA (which can be completed manually) from www.edpubs.gov.
